

The Hatchery @ Wellingborough Library

The Hatchery @ Wellingborough Library is a set of six individual business spaces in an open plan office available to new businesses to rent.

Based on the private mezzanine level at the Library, the Hatchery offers a central office space in the heart of the community, 7 days a week with the added surround of support from the Northamptonshire Enterprise Hub.

Each 200cm x 170cm unit contains a desk with lockable drawers, 2 desk mounted power outlets and an adjustable office chair. A dedicated wifi service affords access to the internet for all devices. There is a large communal breakout area, kitchen facilities and access to a meeting room is also included.
